

Dear Hunter Education Administrator:

Federal Premium Ammunition is happy to announce that we will sponsor the Annual **“Federal Premium Ammunition/ATK Volunteer Hunter Education Instructor of the Year Award.”** The enclosed nomination form is provided for your convenience. We encourage all administrators/coordinators to participate in this very worthwhile project. Volunteers are the most valuable assets of most all hunter education programs across North America, and this provides a great opportunity for each administrator to recognize individuals who have made significant program contributions in their respective jurisdiction.

A selection committee from IHEA will select three finalist nominees as selected by a panel of knowledgeable, impartial judges. Federal/ATK will select the winner from the finalists and will provide appropriate awards for presentation during the IHEA Awards luncheon at the IHEA Annual Conference. **NOTE: In addition, Federal Premium Ammunition will provide transportation, lodging, and registration for the single top winner to enable the recipient to attend the IHEA Annual Conference.**

Nominees from every state or province will receive a hunter education pack from Federal Premium Ammunition. All nominees are encouraged, if possible, to attend the annual conference and be recognized during the IHEA Awards luncheon, **but only the single top winner will have expenses provided to this event.**

The nomination forms must be completed, submitted and received postmarked by **March 13, 2009**. Please send the completed nomination forms to:

**International Hunter Education Association
Attn: Wayne East
2727 W. 92nd Ave., Suite 103
